Printable ruler in inches

Measure Drill

A bank or ID card fits this box exactly

Print at 100% or "Actual size". Turn off "Fit to page" and "Shrink oversized pages" in the print box.

Check it: a bank or ID card should cover the box exactly, and it is 2 1/8" tall. If it does not fit, the printer scaled the page.

Cut on the dashed lines. Glue the strip to card stock or a paint stick so it stays flat.
